Program Description

The intent of the Target Area Contract Preference Act (TACPA) is to promote economic development and employment opportunities in distressed areas of the state by offering bidding preferences on qualified solicitations.

TACPA provides for two preferences: Worksite and Workforce.

Worksite Preference: Bidders may be eligible for a 5% bid preference on state goods and services contracts valued at more than \$100,000 if the worksite is located in a distressed area as designated by the State Office of Planning and Research.

TACPA allows state contracting officials to award the worksite preference when 50% of the labor hours required to manufacture the goods and to perform a contract for goods, or 90% of the labor hours required to perform a contract for services is performed at the approved worksites.

Workforce Preference: Companies qualifying for the 5% worksite preference may request an additional 1% - 4% workforce preference by certifying to hire a specified percent of their contract workforce from employees who are at high risk of unemployment as defined in California Government Code, Section 4532(f).

To request workforce preference, the bidder must first identify an eligible worksite.

TACPA bid preferences do not apply to contracts in which the worksite is fixed.

For more detail, see California Government Code, Section 4530 et seq. and California Code of Regulations, Title 2, Section 1896.30.

Other Bidding Preference Programs

In addition to TACPA, the State has other bidding preference programs for which you might qualify:

EZA - Enterprise Zone Act (up to a 9% bidding preference)

LAMBRA - Local Agency Military Base Recovery Area Act (up to a 9% bidding preference)

Small Business - Certified small businesses in California can receive a 5% bidding preference.

A non-certified small business that claims any combination of EZA, TACPA or LAMBRA preferences cannot use these preferences to displace a certified small business.

How the Bidding Preference Works

The TACPA bidding preference that you qualify for is used only for bid solicitation purposes, to a maximum of \$50,000. The preference does not alter the amount of the resulting contract.

If you qualify for more than one bidding preference (EZA, TACPA, LAMBRA, Small Business) the maximum preference allowed by law is 15% or \$100,000.

Reporting Requirements

Firms receiving TACPA preferences must report their labor hours. Reference the state contract on which you are bidding for specific reporting requirements.

How to Identify TACPA Locations

Contact the appropriate city or county planning and development office or your local Area Council of Governments and ask for the Census Tract and Block Group numbers for the firm or firms for which you are requesting worksite preference.

Then, contact the State of California, Department of General Services, Office of Small Business Certification and Resources at (916) 323-5478 and ask for the TACPA coordinator. The coordinator will tell you if the worksite is eligible.
